

Bishop Doherty's reading list

Editor's note: This is a list of Bishop Timothy L. Doherty's longer readings — books and articles — from August 2016 through August 2017. The titles are listed in the order in which the bishop completed reading them. Inclusion in this list does not imply an endorsement. Broad reading is useful. Several journal articles are listed because of their importance in understanding current issues. The list reflects the bishop's own choices, and not the many "must reads" required of his office. This is the fourth year that Bishop Doherty has shared his list with readers of The Catholic Moment.
