

Protecting God's Children

2017-18 Academic Year

Curriculum Verification for Children/Youth Enrolled in Religious Education
and Receiving Training in a Parish Program

Name of Parish: _____ City: _____

Please indicate below which training was completed.

_____ LIFE Plus _____ Circle of Grace

This form certifies that the content of the Diocese of Lafayette's Safe Environment requirements have been taught during the course of the academic year. ALL PARISHES AND SCHOOLS ARE REQUIRED TO PROVIDE THIS TRAINING FOR K-12 YOUTH.

All parents were notified that the curriculum was available for their review in the parish office. If any parent requested that their youth be held out of a particular lesson(s) during the course of the year, documentation is available in the parish office verifying the youth's name and the lesson content for which the parent requested an "opt-out." The table below indicates the number of youth who received safe environment instruction during the academic year and the number of youth who opted out of any portion of the material.

Please check grade levels and list number of youth for which the parish is providing the curriculum.

***If any youth were not trained, please contact the Office of Catechesis to discuss your plan for training.**
